Admission Policy for 2020-2021

C.B.S James's Street, Dublin 8

1. Type of School

C.B.S James's Street is a co-educational Catholic voluntary secondary school under the patronage of the Edmund Rice Schools Trust.

2. Characteristic Spirit

The characteristic spirit of our school is based on the vision and values of the Edmund Rice Schools Trust Charter. The five characteristics of an Edmund Rice school underpin the operation of Edmund Rice Secondary School, namely:

- Nurturing faith, Christian spirituality and Gospel-based values,
- Promoting partnership,
- Excellence in teaching and learning,
- Creating a caring school community,
- Inspiring transformational leadership.

For further information on the Edmund Rice Schools Trust and the Edmund Rice Schools Trust Charter, see www.EdmundRiceSchoolsTrust.ie

In CBS James's Street, the Edmund Rice Schools Trust Charter values are underpinned by a philosophy of education that has at its centre the unique dignity of the human person as a child of God. We see the interaction of people from different backgrounds—spiritual, ethnic, language, special needs—as a gift that will enrich the community of the school and promote the growth and learning of all. We value each student and their family. We welcome and are sensitive to each one, seeking to respond to their individual needs through:

The Curriculum: We provide a broad range of subject areas, encouraging students to take increasing responsibility for their own learning and decision-making. The School offers the following programmes: Junior Certificate, Junior Certificate School Programme, Transition Year, Leaving Certificate, Certificate Vocational Programme and Leaving Certificate Applied. James's

Street CBS is committed to excellence and all students are challenged to reach their academic and personal potential.

Junior Certificate School Programme

Subject to demand and resources the school may offer this programme.

The programme is an intervention within the Junior Certificate. It provides a curriculum framework, which will assist the school and individual teachers in adopting a student-centred approach to the Junior Certificate. It provides an opportunity for each of those students to obtain a Junior Certificate recording his level of attainment.

For further details contact Ms. Lavin, JCSP Coordinator

Transition Year

Subject to demand and resources the school may offer this programme.

The Transition Year is a one-year programme taken after Junior Cycle that promotes the personal, social, vocational and educational development of students and prepares them for their role as autonomous, participative and responsible members of society. TY provides a bridge to enable students to make the transition from the more dependent type of learning associated with Junior Cycle to the more independent learning environment associated with the Senior Cycle. It encourages the development of a wide range of transferable critical thinking and creative problem solving skills.

For further details contact Ms.O. Crowe, Transition Year Coordinators

At Senior Cycle level students may follow the LCVP programme

The Leaving Certificate Vocational Programme (LCVP) is an intervention designed to enhance the vocational dimension of the Leaving Certificate (established). The strong vocational focus of the LCVP is achieved by arranging Leaving Certificate subjects into Vocational Subject Groupings and through the provision of additional courses of study in work preparation and enterprise known as the Links Modules.

For further details contact Ms. N.Brady ,LCVP Coordinator.

Leaving Certificate Applied

The school offers an alternate programme, subject to demand and resources to the traditional Leaving Certificate called the Leaving Certificate Applied Programme . This is a continuous assessment programme and some students may find this course more appropriate to their needs than the normal Leaving Certificate course. This is a two-year programme.

For further details contact Ms.C.Cullinane, LCA Coordinator.

Enrolment is limited determined year by year. This programme is offered subject to the needs of the students .

Intake Policy for Leaving Certificate Applied and Leaving Certificate Vocational

Both of these programmes are options offered to students who have completed the Junior Cert Cycle. The suitability of students seeking entry to these programmes will be determined as follows:

student with a poor attendance record will be admitted to this programme.

- The reasons for refusing a student entry to the programme will be communicated to their parents/guardians in writing by the Coordinator. The parents/guardians will be given the opportunity to discuss this decision.

to arrange board meetings for these applications the Board of Management delegates decisions on applications to the Principal. A parent/guardian may appeal a decision of the Principal to the Board of Management. In the event that a mid-year application is being considered the following steps will be followed:

a) Parents/guardians should complete the official James's Street CBS application form which is available from the school office and from the school website.

b) The student along with a parent/guardian will meet with the Admissions Committee. The Deputy Principal Ms J.Burke and three teachers ,Ms. O.Crowe, Ms F.Lavin and Ms.N. References and reports will be got from the student's current school.

c)The Admissions Committee will pass on the information to the Principal. The Principal must be satisfied that the enrolment is in the best interests of the student and the school. The Principal will consider whether admission of the applicant may have a detrimental impact on the common good of the school or a class or may be a risk to health and safety of staff and students. He will also take into account whether the school is equipped to cater for the needs of the student.

d)Parents /Guardians as well as students must be willing to accept the school's Code of Behaviour and other policies authorised by the Board of Management. Confirmation of acceptance is required in writing by both parent/guardian and student. This is done by signing the relevant part of the application form. Acceptance of a place in the school is also deemed to be a commitment to adhere to all policies and codes.

e) The consequences of enrolment/transfer at particular times of the academic year will be taken into account. Admission may be postponed until the beginning of the next academic year.

f) In the case of transfer from local second level schools, the Principal must be satisfied that there are valid reasons for the transfer.

N.B- In all cases the Principal must be confident that the school can meet the needs of each applicant before admission is granted. The principal will consult with the Board of Management if deemed necessary.

6.Refusal in exceptional circumstances:

The Principal reserves the right to refuse to enrol any student in exceptional cases. Such an exceptional case could arise where either:

1. The student has special needs such that, even with additional resources available from the Department of Education and Skills, the school cannot meet such needs and/or provide the student with an appropriate education

Or

2. In the opinion of the Principal, the student poses an unacceptable risk to other students, to school staff or to school property.

In cases of refusal the Principal will bring it to the Board of Management and they will make the final decision.

7.Appeal Procedure:

Where the Board of Management decides to refuse admission to the school, the parents/guardians of the student concerned may appeal the decision to the Department of Education and Skills under Section 29 of the *Education Act, 1998*. The appeal must generally be made within 42 calendar days of the date that the decision of the Board of Management was notified to the parents/guardians.

8.Admission of applicants with Special Educational Needs

CBS James's Street welcomes applications from parents/ guardians of students with special educational needs. The school will use the resources (finance and personnel) provided by the Department of Education and Skills to make reasonable provision and accommodation for students with disabilities or special educational needs and will ensure that these students are free to participate in the life of the school in so far as is reasonably practicable.

While recognising and fully supporting the rights of parents/guardians to have a school of their choice for their children, the school's ability to provide for students

with particular educational needs is dependent on resources suitable to those needs being supplied by the Department of Education and Skills.

Parents/guardians are encouraged to make the Board of Management aware of any special needs as early as possible, as it may take some time for the Department to process applications for the resources needed. In order to determine the specific resources, facilities and learning support required, the Board will request a copy of the student's medical and/or psychological report. Where such a report is not available, the Board will request an immediate assessment. The purpose of the assessment report is to assist the school in establishing the educational needs of the student relative to their special needs and to profile the support services required.

Following receipt of the report, the Board will assess how the school can meet the needs of the student as specified in the report. The school will also request information from the student's primary school with regard to such matters as learning support and/or resource hours. Where the Board deems that further resources are required, it will, prior to the student commencing to attend the school, request the Department of Education and Skills to provide the resources necessary to meet the needs of the student as outlined in the psychological or medical report.

A representative of the Board will meet with the parents/guardians of the student to discuss the student's needs and the school's capacity to meet them. It may be necessary for the Board to postpone the attendance of a student at the school, pending the receipt of an assessment report, and/or the provision of appropriate resources by the Department of Education and Skills to meet the needs specified in the psychological or medical report.

The school commits itself to working closely with the Special Education Needs Organiser (SENO) to ensure that students with special needs are given all reasonable assistance, subject to available resources, to achieve their educational potential.

This policy has been drawn up by the Board in consultation with parents, staff and representatives of our feeder schools. It is operative for the First Year intake in the school year 2019-2020 it will be reviewed by the Board of Management annually.
